**Financial Information**

Use the [HNY budget template](https://humanitiesny.fluxx.io/grant_requests/22055576?printable=1) for your project budget; upload an excel or google sheet in the Request Budget field below. This should reflect the full cost of your project, nothing beyond the scope and timeline in your Project Summary. Requests can be between $500 and $1,500 and can be used for any expense necessary to achieve the described activities with the exception of international travel and alcohol. Example expenses include staff time, honoraria, and marketing can be found in the [HNY sample budget](https://humanitiesny.fluxx.io/grant_requests/22055576?printable=1).

A minimum 1:1 match is required in this budget, meaning the total amount requested of HNY must be matched by either cash and/or in-kind services provided by the applying organization (or its partners). Cash can be in-hand or anticipated at the time of grant request.

Applicants may include a *de minimis* indirect cost rate (ICR) of up to 10% of direct expenses of the total grant. In other words, \[ \text{TOTAL project expenses} = \text{[direct expenses]} + \text{[ICR, which is no more than 0.10 x direct expenses]} \]. If your organization has a federally negotiated ICR, you may use that rate provided you upload documentation in the Request Documents section below.

(The uploaded budget attachment will display in both the Initial Project Budget and the Request Documents sections.)
