General Overview

What are the humanities?

The humanities—literature, history, philosophy and the many forms of human expression—connect us to our individual experience and to our communities, providing personal enrichment and understanding. They can promote relevant, important, and timely conversations about the challenges we face as communities and in society. The humanities can engage people where they live and work, emphasizing conversation, facilitation, and collaborative learning.

What We Fund

Humanities New York (HNY) supports projects that activate, frame, or deepen our understanding of what it means to be human. We encourage and support innovative approaches in the design and delivery of public-facing programming. Through our grants program, we strive to ensure that all New Yorkers may access the tools and experiences of the humanities.

Competitive projects are engaging to a variety of New Yorkers and do not require specialized knowledge to participate in or enjoy. We welcome projects that serve targeted communities—such as families, youth, seniors, veterans, prison populations, and individuals with special needs.

Because we encourage organizations to develop projects that respond to community needs and interests, we are open to a variety of project formats.

Priorities

HNY prioritizes support to projects that reach audiences with fewer opportunities to attend educational and cultural programming. Because we are a statewide organization, within each grant round we strive to make awards in as many regions of the state as possible. All subjects and themes relevant to the communities served are welcome. Special priority is given to proposals that address environmental-humanities topics; impacts of incarceration and the “prison ecosystem”; and the Semiquincentennial of the founding of the United States. Other priorities include supporting small organizations (with operating budgets of less than $250,000) and rural organizations.
Opportunities

HNY has three recurring grant opportunities: Vision, Quick, and Action Grants. Each supports the development and implementation of public-facing humanities projects but has different requirements and deadlines.

Eligibility

- Any tax-exempt organization (non-profit, municipality, or tribal government) that is based in and serves New York State may apply. HNY does not fund individuals.
- Each organization must have a UEI (Unique Entity Identifier) in order to receive a grant.
- Each organization is eligible to receive one Vision Grant and one Action Grant OR one Vision Grant and one Quick Grant per calendar year.
- Applicants with an open Action Grant project or open Quick Grant project must complete the project and submit the final report before applying for a new Action Grant or new Quick Grant.

Application Process

Grants are awarded on a competitive basis. Applications must be submitted through our online grant portal, Fluxx. You can check the status of a grant proposal from the applicant dashboard. Visit humanitiesny.fluxx.io to register and create an application.
Vision Grants:
Seed Funding for Project Development
Accepted on a rolling basis until funds are depleted

Vision Grants ($500 to $1500, 1:1 match required) are planning grants. They support activities such as focus groups, new partnership meetings, collaborative research, scholar consultations, and professional development that assists organizations in developing public-facing humanities programs. Vision Grant awards may be applied toward expenses such as travel, consultant fees, and participant stipends. Typical grant products include exhibition plans; apps, tours, and brochures; public programming series; town halls; feasibility studies; and white papers.

Quick Grants: Matching Funds for Project Implementation

Accepted on a rolling basis until funds are depleted

Quick Grants ($500 to $1,500, 1:1 match required) are implementation grants for public humanities projects that respond to issues and ideas that capture the imagination of New Yorkers. Example formats may include scholar talks, panel discussions, and roundtable conversations. Eligible expenses may include speaker and facilitator honoraria, travel, marketing, etc. Available to organizations whose total yearly operating expenses are $250,000 or less, these grants aim to:

- Support smaller organizations in offering engaging public programming
- Promote equity in access to the humanities, ensuring that New Yorkers of all backgrounds and from all regions may engage in cultural programming

Application Checklist

Use the checklist below to ensure that your application is complete and accurate.

Project Team

Humanities Expert: Each project team must include at least one member with humanities expertise. This may be someone with an advanced degree in a humanities field, a local history expert, or a culture bearer. The application should demonstrate how their expertise will contribute to the project.

Community Partnerships: HNY encourages organizations to develop and implement programming in partnership with other community groups. Please describe any institutional partners in your application.

Matching Funds

All three grant opportunities require cost-sharing of at least 1:1. Put another way, HNY grants can fund no more than 50% of a project’s expenses. The grant request may be matched by any combination of cash and in-kind contributions. Staff time, volunteer time, and donated venue space may count as sources of cost-share. Matching funds demonstrate commitment to a project and help HNY meet state and federal reporting requirements.

Budget

Each application must include a project budget completed on the HNY budget template (link available in the application). The budget should demonstrate how the grant request will be allocated, as well as any cash or in-kind cost share.

Eligible Expenses: Applicants may request support for any necessary costs for the proposed scope of work, including participant honoraria, staff time, consultants, travel, marketing, evaluation, and photography/videography. Costs of travel on non-U.S. (international) air carriers and costs of alcohol may not be included in the request.

Finance Officer: If awarded, grantees must designate a Finance Officer who will manage the grant funds. This individual must be an employee or board member of the awarded organization and be familiar with accounting practices. The Finance Officer may not be the same person as the Project Director.
Additional Considerations

Applying Organizations
HNY accepts proposals from "pass-through" organizations, i.e., when an organization with tax-exempt status in New York State applies on behalf of another organization that lacks such status at the time of applying (but is working toward that end). HNY does not accept such proposals from Fractured Atlas.

Programming Admission Fees
Admission fees for humanities programming are acceptable but keep in mind: the higher the fee (especially above $15), the less competitive the proposal will be in the eyes of reviewers.

Review Process
The grants staff review submitted materials for eligibility and completeness before passing applications along to the Grant Review Committee. If an application is incomplete, applicants will be notified via email and may have the opportunity to resubmit.

The Grant Review Committee is composed of HNY Board members and outside evaluators. Projects are awarded on a competitive basis, balancing the merits of each proposal, applicants’ track records, and HNY’s funding priorities. All applicants will be notified by email as soon as possible after a decision meeting. You may also view the status of your application by logging into the grant portal.

Declined applicants may request a phone appointment with a staff member to receive feedback about an application.
