About Us

Thanks for your interest in Humanities New York’s grant opportunities! Please review this document fully to learn about grant eligibility, requirements, and deadlines.

Humanities New York is a 501(c)(3) nonprofit organization and the sole state affiliate of the National Endowment for the Humanities. For more than 40 years, Humanities New York has worked with community groups throughout the state, using the content and tools of the humanities to address issues of civic engagement and trust.

Humanities New York uses dialogue, reflection, and critical thinking to strengthen democratic society.
General Overview

What are the humanities?

The humanities—literature, history, philosophy and the many forms of human expression—connect us to our individual experience and to our communities, providing personal enrichment and understanding. They can promote relevant, important, and timely conversations about the challenges we face as communities and in society. The humanities can engage people where they live and work, emphasizing conversation, facilitation, and collaborative learning.

What We Fund

Humanities New York (HNY) supports projects that activate, frame, or deepen our understanding of what it means to be human. We encourage and support innovative approaches in the design and delivery of public-facing programming. Through our grants program, we strive to ensure that all New Yorkers may access the tools and experiences of the humanities.

Competitive projects are engaging to a variety of New Yorkers and do not require specialized knowledge to participate in or enjoy. We welcome projects that serve targeted communities—such as families, youth, seniors, veterans, prison populations, and individuals with special needs.

Because we encourage organizations to develop projects that respond to community needs and interests, we are open to a variety of project formats.

Priorities

HNY prioritizes support to projects that reach audiences with fewer opportunities to attend educational and cultural programming. Because we are a statewide organization, within each grant round we strive to make awards in as many regions of the state as possible. All subjects and themes relevant to the communities served are welcome. Special priority is given to proposals that address environmental/humanities topics; impacts of incarceration and the “prison ecosystem”; and the Semiquincentennial of the founding of the United States. Other priorities include supporting small organizations (with operating budgets of less than $250,000) and rural organizations.
Opportunities

HNY has three recurring grant opportunities: Vision, Quick, and Action Grants. Each supports the development and implementation of public-facing humanities projects but has different requirements and deadlines.

Eligibility

• Any tax-exempt organization (non-profit, municipality, native nation or tribal government) that is based in and serves New York State may apply. HNY does not fund individuals.
• Each organization must have a UEI (Unique Entity Identifier) in order to receive a grant.
• Each organization is eligible to receive one Vision Grant and one Action Grant OR one Vision Grant and one Quick Grant per calendar year. An organization may hold a Vision Grant simultaneously with an active Quick Grant or Action Grant so long as the Vision grant is for a separate project.
• Applicants with an open Action Grant project or open Quick Grant project must complete the project and close the grant before applying for a new Action Grant or new Quick Grant.

Application Process

Grants are awarded on a competitive basis. Applications must be submitted through our online grant portal, Fluxx. You can check the status of a grant proposal from the applicant dashboard. Visit humanitiesny.fluxx.io to register and create an application.
Vision Grants: 
**Seed Funding for Project Development**
*Accepted on a rolling basis until funds are depleted*

Vision Grants ($500 to $1500, 1:1 match required) are planning grants. They support activities such as focus groups, new partnership meetings, collaborative research, scholar consultations, and professional development that assists organizations in developing public-facing humanities programs. Vision Grant awards may be applied toward expenses such as travel, consultant fees, and participant stipends. Typical grant products include exhibition plans; apps, tours, and brochures; public programming series; town halls; feasibility studies; and white papers.

Quick Grants: Matching Funds for Project Implementation

Accepted on a rolling basis until funds are depleted

Quick Grants ($500 to $1,500, 1:1 match required) are implementation grants for public humanities projects that respond to issues and ideas that capture the imagination of New Yorkers. Example formats may include scholar talks, panel discussions, and roundtable conversations. Eligible expenses may include speaker and facilitator honoraria, travel, marketing, etc. Available to organizations whose total yearly operating expenses are $250,000 or less, these grants aim to:

- Support smaller organizations in offering engaging public programming
- Promote equity in access to the humanities, ensuring that New Yorkers of all backgrounds and from all regions may engage in cultural programming

Action Grants:
Matching Funds for Project Implementation
Two Grant Rounds Per Year

Action Grants ($6,500 to $10,000, 1:1 match required) are implementation grants for public-facing humanities projects that encourage audiences to reflect on their values, explore new ideas, and engage with others in their community. These grants aim to actively engage audiences through creative programming formats, including workshops, roundtables, panel discussions, humanities-infused performances, exhibits, podcasts, and interactive digital platforms.

Application Checklist

Use the checklist below to ensure that your application is complete and accurate.

Project Team

**Humanities Expert:** Each project team must include at least one member with humanities expertise. This may be someone with an advanced degree in a humanities field, a local history expert, or a culture bearer. The application should demonstrate how their expertise will contribute to the project.

**Community Partnerships:** HNY encourages organizations to develop and implement programming in partnership with other community groups. Please describe any institutional partners in your application.

Matching Funds

**All three grant opportunities** require cost-sharing of **at least 1:1.** Put another way, HNY grants can fund no more than 50% of a project’s expenses. The grant request may be matched by any combination of cash and in-kind contributions. Staff time, volunteer time, and donated venue space may count as sources of cost-share. Matching funds demonstrate commitment to a project and help HNY meet state and federal reporting requirements.

Budget

Each application must include a **project budget** completed on the HNY budget template (link available in the application). The budget should demonstrate how the grant request will be allocated, as well as any cash or in-kind cost share.

**Eligible Expenses:** Applicants may request support for any necessary costs for the proposed scope of work, including participant honoraria, staff time, consultants, travel, marketing, evaluation, and photography/videography. Costs of travel on non-U.S. (international) air carriers and costs of alcohol may not be included in the request.

**Finance Officer:** If awarded, grantees must designate a Finance Officer who will manage the grant funds. This individual must be an employee or board member of the awarded organization and be familiar with accounting practices. The Finance Officer may not be the same person as the Project Director.
Additional Considerations

Applying Organizations
HNY accepts proposals from "pass-through" organizations, i.e., tax-exempt organizations based in New York State that apply on behalf of organizations who are working toward tax-exempt status but have not secured it at the time of a grant deadline. (This arrangement is sometimes referred to as a “fiscal sponsorship”). Like all tax-exempt organizations, pass-through organizations are eligible to receive one Vision Grant and one Action Grant OR one Vision Grant and one Quick Grant per calendar year.

The pass-through organization must serve as the applying organization for the grant request and should be registered in the HNY portal as “[X Organization] on behalf of [Y Organization].”

Multiple departments or centers from within a single college or university are eligible to apply for grants at the same time. Each department or center is eligible to apply for one Vision Grant and one Action Grant per calendar year, and must upload their university’s 990 rather than their department or center budget.

For Action, Vision and Quick grants, HNY does not accept pass-through proposals from Fractured Atlas, New York Foundation for the Arts, or The Field. Each of these organizations can, however, serve as pass-throughs for PIHP grant proposals.

Programming Admission Fees
Admission fees for humanities programming are acceptable but keep in mind: the higher the fee, the less competitive the proposal will be in the eyes of reviewers. A useful rule of thumb is to maintain rough parity with the current price of a movie-theater ticket in your part of New York State.
Additional Considerations, ctd.

Review Process
The HNY Grants Department reviews submitted materials for eligibility and completeness before passing applications along to the Grant Review Committee. If an application is incomplete, applicants will be notified by email and may have the opportunity to resubmit.

The Grant Review Committee is composed of HNY Board members and outside evaluators. Projects are awarded on a competitive basis, balancing the merits of each proposal, applicants’ track records, and HNY’s funding priorities. All applicants will be notified by email as soon as possible after a decision meeting. You may also view the status of your application by logging into the grant portal.
